MEDIA BUREAU ANNOUNCES EXTENSION OF TIME FOR BROADCASTERS TO FILE CHILDREN'S PROGRAMMING REPORTS AND QUARTERLY ISSUES/PROGRAMS LISTS

Delay in Filing Deadlines to Give Broadcasters Flexibility

As a result of the fluid and challenging situation caused by the novel coronavirus (COVID-19), the Media Bureau hereby extends the filing deadline for the first annual Children's Television Programming Report (FCC Form 2100, Schedule H) from March 30, 2020 to July 10, 2020.¹ Additionally, we extend the deadline by which radio and television broadcasters must place their first quarter issues/programs lists into their Online Public Inspection File from April 10, 2020, to July 10, 2020.² As a result, the filing deadline for both the first and second quarter issues/programs lists will be the same. Extending these reporting deadlines will not significantly impact the public's or the Bureau's review of licensee's compliance with the Commission's rules. While we are extending these filing deadlines, we encourage licensees to file their Children's Television Programming Report and their quarterly issues/programs lists as soon as practicable.

Further, we emphasize that this *Public Notice* does not modify any requirements or filing deadlines related to stations' political files,³ nor does it modify any other filing obligations or deadline related to broadcasters' public files.
